DEAR MR. DALLEO,

THIS CASE WAS FILED  
AS A last resort in my attempts  
to be treated by the medical dept.  
I have developed AN infection in  
the problem area AND this infection  
has lingered for over A year AND  
A half AND is now starting to  
spread. So if there is ANY way  
at all that this matter can be  
moved along expeditiously ANY  
efforts that you exhaust will be  
greatly appreciated.

Sincerely

IM Kevin C. Braithwaite
